## RISING STARS PACKET

*Welcome to Season 19!*

## RISING STARS PROGRAM

Thank you for your interest in the Cheer Force One Rising Stars program! Rising Stars is a half-season All Star program for those who are interested in All Stars but are not quite ready for the full season commitment. Participants in the Rising Stars program have less time, financial, and travel commitment than the full season program.

All Stars is a unique sport involving tumbling, stunts, jumps, and dance. All Stars is great for youth interested in a performance-based sport and is open to all skill levels. Through hard work and commitment to the team, participants learn valuable life lessons and develop crucial life skills such as time management, responsibility, teamwork, and so much more! Whether your child has dreams of cheering for a full season competitive team, a school team, or is just looking for a team-based activity - Rising Stars is a fit!

Registration is open through Tuesday, August 27th, and the team practices kick off in September. Rising Stars teams practice once per week for 2 hours (Tiny Teams: 60-minutes).

The 2024-2025 Rising Stars season runs through the final event in March 2025. Weekly practice days/times will be finalized once registration concludes.

# *What is All Stars?*

All Stars is a competitive cheerleading program where teams from gyms perform and compete against teams from other gyms. Each season we form teams to compete locally, regionally, and even nationally. The All Star program trains more than just the individual. By working as a team, individuals learn about teamwork, sportsmanship, leadership, time management, commitment, and many life lessons they will carry with them through school and into future careers and relationships.

All Stars is an opportunity for each child to open up, be themselves, and learn in the process. When a child is confronted with an obstacle, whether internally or externally, coaches are there to guide them and help problem solve. The individuals who gain the most from the All Star experience are those whose parents encourage their child to work through situations and discuss concerns with a coach.

## *Practices & Competitions*

Each Rising Star has **one** weekly team practice.  
Team practice length varies based on team.

Mini, Youth, Junior Teams: 2-hour practices  
Tiny Teams: 1-hour practices

Each Rising Star team will have a choreography clinic scheduled for **Saturday, October 5**. The specific time will be announced closer to the event.

Rising Stars teams perform at two local events during the season. The specific times teams perform is not distributed until the week of the event. Please block off these dates to prevent any scheduling conflicts:

### **COMPETITIONS**

- Sunday, March 23 - Deep South - Mobile, AL
- Saturday, March 29 - Maximum C&D - Biloxi, MS

These dates/locations are tentative.

## *Commitment*

The Rising Stars program is a commitment. Weekly team practices are considered mandatory. There are not "excused" or "unexcused" absences from practice. It is important for each family to immediately communicate any foreseen conflicts as soon as they are known. Unlike other sports, All Stars does not have a bench of extra teammates to pull from. Team positions are fluid and can be changed at any time.

Proper attire should be worn at every practice. Please help make sure your child is ready for practice in athletic attire and proper footwear.

## *Code of Conduct*

Participation in the Rising Stars program is a commitment to the values and expectations set by Cheer Force One. All Star participants are expected to set a positive example inside and outside of the gym. All Stars are expected to be role models within their communities. By being a member of the All Star program, you are a representative of the CF1 brand.

We work to keep open communication with parents with any red flags. The goal is to work together to keep each child headed in the right direction making the best decisions for the future. In the event a proactive plan can not be agreed upon or proves to be unsuccessful, a child may be removed from the program for poor conduct. There have also been occasions where a family has been dismissed from the program due to a parent's conduct. The best interests of the program as a whole are always the priority in these cases.

Cheer Force One has a zero tolerance policy for underage drinking or drug use of any kind. Participants found to be violating this policy are removed from the program.

Sportsmanship plays a major role in the unity of the Cheer Force One program. Speaking or posting online negative comments about a coach, team, team member, decision, result, or event can be considered grounds for dismissal. The support of each participating family is important to keeping a positive, nurturing environment for your child.
